

- 14.10 Laser-doppler examination and sclerotherapy of corona phlebectatica paraplantaris I. Bihari,
J. Egresits, J. Nemcsik, G. Tasnadi, K. Farkas (H)
- 14.20 May sclerotherapy cause a pulmonary injury? preliminary results dynamic scans
of the thorax using 99mtc pertecnethate L. Tessari, P. G. Giorgetti, D. Grigolato (I)
- 14.30 Sclerotherapy in daily practice J. M. Mestres Sales (E)
- 14.40 Foam sclerotherapy in Cuba, 4 years of experience A. Suarez Cabrera, A. Marquez Furet, A. Garcia (C)
- 14.50 Clinical and observational study on safety of ambient air or bio-compatible gas use in foam sclerotherapy E. P. Lucca (I)
- 15.00 Crossectomy and sclerotherapy in the treatment of venous ulcer R. Flores Hernandez (MEX)
- 15.10 Endoluminal radiofrequency in sclerotherapy of microvarices" Radiosclerosis" D. Vogelfang (E)
- 15.20 Foam sclerotherapy in the treatment of varices: integrated and complementary therapies
(homotoxicological drugs and selective elastic compression) P. Forfori, S. Alice, A. Parodi (I)

15.30 Discussion and Coffee break

16.00-16.45 Workshop: Kreussler/Gloriamed - **Speakers:** J. Cabrera (E), E. Rabe, F. X. Breu, S. Guggenbichler (D)

Chairmen: A. Cavezzi, L. Tessari (I)

- 17.00 The role of foam sclero-therapy in elderly patients (over 70) with severe, disabling CVI M. Gallucci,
P. L. Antignani, C. Allegra (I)
- 17.10 Sclerosing foam in the treatment of varicocele: 10 years of experience G. Mazzoni, S. Minnucci (I)
- 17.20 Bionic skin therapy – a new method of treatment of spider veins and couperosis S. Haumer, F. Mariani (I)
- 17.30 Sclerotherapy, objective reality I. Mikadze (GEO)
- 17.40 Injection sclerotherapy: 30 years of experience with 150.000 injections I. Bihari (H)
- 17.50 Sclerosing foam in the treatment of venous ulcers of lower limbs M. Ronconi, E. Cervi (I)
- 18.00 Four years results of new endosclerofoam treatment for hemorrhoidal disease G. Rosi,
M. Ronconi, E. Cervi, S. M. Giulini, R. Colucci (I)
- 18.10 Chasing the bubbles in foam sclerotherapy L. Tessari, A. Vicentini, S. De Feo (I)
- 18.20 Treatment of varicoele with percutaneous embolization. Our experience G. La Marca,
M. Vallone, F. Finazzo, G. Ferro, F. Valentino, F. Pecoraro, D. La Rosa, A. Martino, G. La Barbera (I)
- 18.30 Angiographic trans-catheter embolization of lower extremities for difficult and chronic venous ulcer R. Avrahami,
I. Schur, E. Atar (IL)
